launched  
breakfast  
pockets!

### **Big on taste**

At Albie's, flavor has always led the way, and that includes savory breakfast options that keep kids happy and full. Our latest additions to the lineup include delicious turkey sausage, bacon, and spicy turkey chorizo!

### **Hand-crafted in small batches**

Our tight-knit crew loves handcrafting the foods kids want. This means using simple ingredients like eggs and cheddar cheese—we don't like to overcomplicate what makes a great start to the day!

### **Safe for schools**

Albie's individually wrapped products and bulk packaging provide operational flexibility when serving your students. Our individually wrapped options reduce manual touches for an added health and safety benefit, and the serving options include:

- Satellite feeding
- Breakfast in the classroom
- After-the-bell snacking
- Summer feeding
